

REMARKS

Reconsideration of this application, as amended, is requested.

Claims 1-6 and 11-19 remain in the application and have not been amended.

Claims 7-10 are canceled without prejudice and will be prosecuted in a divisional application.

All of the claims remaining in the application correspond to the product claims that were identified as Invention I in the office action of May 21, 2008. Hence, this amendment constitutes an election of Invention I without traverse.

Early and favorable action on the elected claims is solicited.

Respectfully submitted,
